

491—9.2(99D) Facilities' responsibilities.

9.2(1) Stalls. The facility shall ensure that racing animals are stabled in individual box stalls; that the stables and immediate surrounding area are maintained in approved sanitary condition at all times; that satisfactory drainage is provided; and that manure and other refuse are kept in separate boxes or containers at locations distant from living quarters and promptly and properly removed.

9.2(2) Paddocks and equipment. The facility shall ensure that paddocks, starting gates, and other equipment subject to contact by different animals are kept in a clean condition and free of dangerous surfaces.

9.2(3) Receiving barn and stalls. Each facility shall provide a conveniently located receiving barn or stalls for the use of horses arriving during the meeting. The barn shall have adequate stable room and facilities, hot and cold water, and stall bedding. The facility shall employ attendants to operate and maintain the receiving barn or stalls in a clean and healthy condition.

9.2(4) Fire protection. The facility shall develop and implement a program for fire prevention on facility premises in accordance with applicable state fire codes. The facility shall instruct employees working on facility premises of procedures for fire prevention and evacuation. The facility shall, in accordance with state fire codes, prohibit the following:

- a. Smoking in horse stalls, feed and tack rooms, and in the alleyways.
- b. Sleeping in feed rooms or stalls.
- c. Open fires, oil- or gasoline-burning lanterns, or lamps in the stable area.
- d. Leaving any electrical appliance unattended or in unsafe proximity to walls, beds, or furnishings.
- e. Keeping flammable materials, including cleaning fluids or solvents, in the stable area.
- f. Locking a stall which is occupied by a horse.

The facility shall post a notice in the stable area which lists the prohibitions outlined in 9.2(4) "a" to "f" above.

9.2(5) Starting gate. During racing hours a facility shall provide at least two operable starting gates that have been approved by the commission.

9.2(6) Distance markers.

- a. A facility shall provide and maintain starting point markers and distance poles in a size and position that can be clearly seen from the stewards' stand.
- b. The starting point markers and distance poles must be marked as follows:

- 1/4 poles red and white horizontal stripes
- 1/8 poles green and white horizontal stripes
- 1/16 poles black and white horizontal stripes

9.2(7) Detention barn. Each facility shall maintain a detention barn for use by the commission for securing samples of urine, saliva, blood, or other bodily substances or tissues for chemical analysis from horses who have run in a race. The enclosure shall include a wash rack, commission veterinarian office, a walking ring, at least four stalls, workroom for the sample collectors with hot and cold running water, and glass observation windows for viewing of the horses from the office and workroom. An owner, trainer, or designated representative licensed by the commission shall be with a horse in the detention barn at all times.

9.2(8) Ambulance. A facility shall maintain, on the premises during every day that its track is open for racing or exercising, an ambulance for humans and an ambulance for horses, equipped according to prevailing standards and staffed by medical doctors, paramedics, or other personnel trained to operate them. When an ambulance is used for transfer of a horse or patient to medical facilities, a replacement ambulance must be furnished by the facility to comply with this rule.

9.2(9) Helmets. A facility shall not allow any person to drive any horse on facility premises unless that person is wearing a protective helmet, of a type approved by the commission, securely fastened under the chin.

9.2(10) Racetrack.

a. The surface of a racetrack, including cushion, subsurface, and base, must be designed, constructed, and maintained to provide for the safety of the drivers and racing animals.

b. Distances to be run shall be measured from the starting line at a distance three feet out from the inside rail.

c. A facility shall provide an adequate drainage system for the racetrack.

d. A facility shall provide adequate equipment and personnel to maintain the track surface in a safe training and racing condition. The facility shall provide backup equipment for maintaining the track surface.

e. Rails.

(1) Racetracks shall have inside and outside rails, including gap rails, designed, constructed, and maintained to provide for the safety of drivers and horses. The design and construction of rails must be approved by the commission prior to the first race meeting at the track.

(2) All rails must be constructed of materials designed to withstand the impact of a horse.

9.2(11) Blacksmith. During racing hours, each facility shall provide the services of a blacksmith within the paddock.

9.2(12) Extra equipment. During racing hours, each facility shall provide suitable extra equipment as may be necessary for the conduct of racing without unnecessary delay.

9.2(13) Head numbers and saddle pads. Head numbers and saddle pads must be used on horses when warming up and racing. The saddle pads in use at the facility conducting extended pari-mutuel meetings shall be standardized consistent with a format to be established by U.S.T.A.

9.2(14) Supervision of meeting. Although facilities have the obligation of general supervision of their meeting, interference with the proper performance of duties of any official is prohibited.

9.2(15) Patrol films or video recordings. Each facility shall provide:

a. A video recording system approved by the commission. Cameras must be located to provide clear panoramic and head-on views of each race. Separate monitors, which simultaneously display the images received from each camera and are capable of simultaneously displaying a synchronized view of the recordings of each race for review, shall be provided in the stewards' stand. The location and construction of video towers must be approved by the commission.

b. One camera, designated by the commission, to record the prerace of all horses approaching the starting gate and to continue to record until the field is dispatched by the starter.

c. One camera, designated by the commission, to record the apparent winner of each race from the finish line until the horse has returned and the driver has dismounted.

d. At the discretion of the stewards, video camera operators to record the activities of any horses or persons handling horses prior to, during, or following a race.

e. At least three video cameras to record races run on an oval track.

f. Upon request of the commission, without cost, a copy of a video recording of a race.

g. That video recordings recorded prior to, during, and following each race be maintained by the facility for not less than six months after the end of the race meeting, or such other period as may be requested by the stewards or the commission.

h. A viewing room in which, on approval by the stewards, an owner, trainer, driver, or other interested individual may view a video recording of a race.

i. Following any race in which there is an inquiry or objection, the video recorded replays of the incident in question which were utilized by the stewards in making their decision. The facility shall display to the public these video recorded replays on designated monitors.

9.2(16) Communications.

a. Each facility shall provide and maintain in good working order a communication system between the:

- (1) Stewards' stand;
- (2) Racing office;
- (3) Tote room;
- (4) Drivers' room;

- (5) Paddock;
- (6) Detention barn;

b. A facility shall provide and maintain a public address system capable of clearly transmitting announcements to the patrons and to the stable area.

9.2(17) *Horsemen's bookkeeper.*

a. General authority. The horsemen's bookkeeper shall maintain the records and accounts and perform the duties described herein and maintain such other records and accounts and perform such other duties as the facility and commission may prescribe.

b. Records.

(1) The records shall include the name, mailing address, social security number or federal tax identification number, and the state or country of residence of each horse owner, trainer, or driver participating at the race meeting who has funds due or on deposit in the horsemen's account.

(2) The records shall include a file of all required statements of partnerships, syndicates, corporations, assignments of interest, lease agreements, and registrations of authorized agents.

(3) All records of the horsemen's bookkeeper shall be kept separate and apart from the records of the facility.

(4) All records of the horsemen's bookkeeper, including records of accounts and moneys and funds kept on deposit, are subject to inspection by the commission at any time.

c. Moneys and funds on account.

(1) All moneys and funds on account with the horsemen's bookkeeper shall be maintained:

1. Separate and apart from moneys and funds of the facility;
2. In a trust account designated as "horsemen's trust account"; and
3. In an account insured by the Federal Deposit Insurance Corporation or the Federal Savings and

Loan Insurance Corporation.

(2) The horsemen's bookkeeper shall be bonded.

d. Payment of purses.

(1) The horsemen's bookkeeper shall receive, maintain, and disburse the purse of each race and all stakes, entrance money, driver fees, purchase money in claiming races, all applicable taxes, and other moneys that properly come into the horsemen's bookkeeper's possession in accordance with the provisions of commission rules.

(2) The horsemen's bookkeeper may accept moneys due, belonging to other organizations or recognized meetings, provided prompt return is made to the organization to which the money is due.

(3) The horsemen's bookkeeper shall disburse the purse of each race and all stakes, entrance money, driver fees, purchase money in claiming races, and all applicable taxes, upon request, within 48 hours of receipt of notification that all tests with respect to such races have cleared the drug testing laboratory (commission chemist) as reported by the stewards.

(4) Absent a prior request, the horsemen's bookkeeper shall disburse moneys to the persons entitled to receive same within 15 days after the last race day of the race meeting, including purses for official races, provided that all tests with respect to such races have cleared the drug testing laboratory as reported by the stewards, and provided further that no protest or appeal has been filed with the stewards or the commission.

(5) In the event a protest or appeal has been filed with the stewards or the commission, the horsemen's bookkeeper shall disburse the purse within 48 hours of receipt of dismissal or a final nonappealable order disposing of such protest or appeal.

e. No portion of purse money other than driver fees shall be deducted by the facility for itself or for another, unless so requested in writing by the person to whom purse moneys are payable or the person's duly authorized representative. The horsemen's bookkeeper shall mail to each owner a duplicate of each record of all deposits, withdrawals, or transfers of funds affecting the owner's racing account at the close of each race meeting.

9.2(18) *Timer.* Each facility shall provide for each race an official timer who shall occupy the timer's stand or other appropriate place to observe the contesting of each race. The official timer shall accurately record the time elapsed between the start and finish of each race. The chief timer shall sign the stewards' book for each race verifying the correctness of the record.
